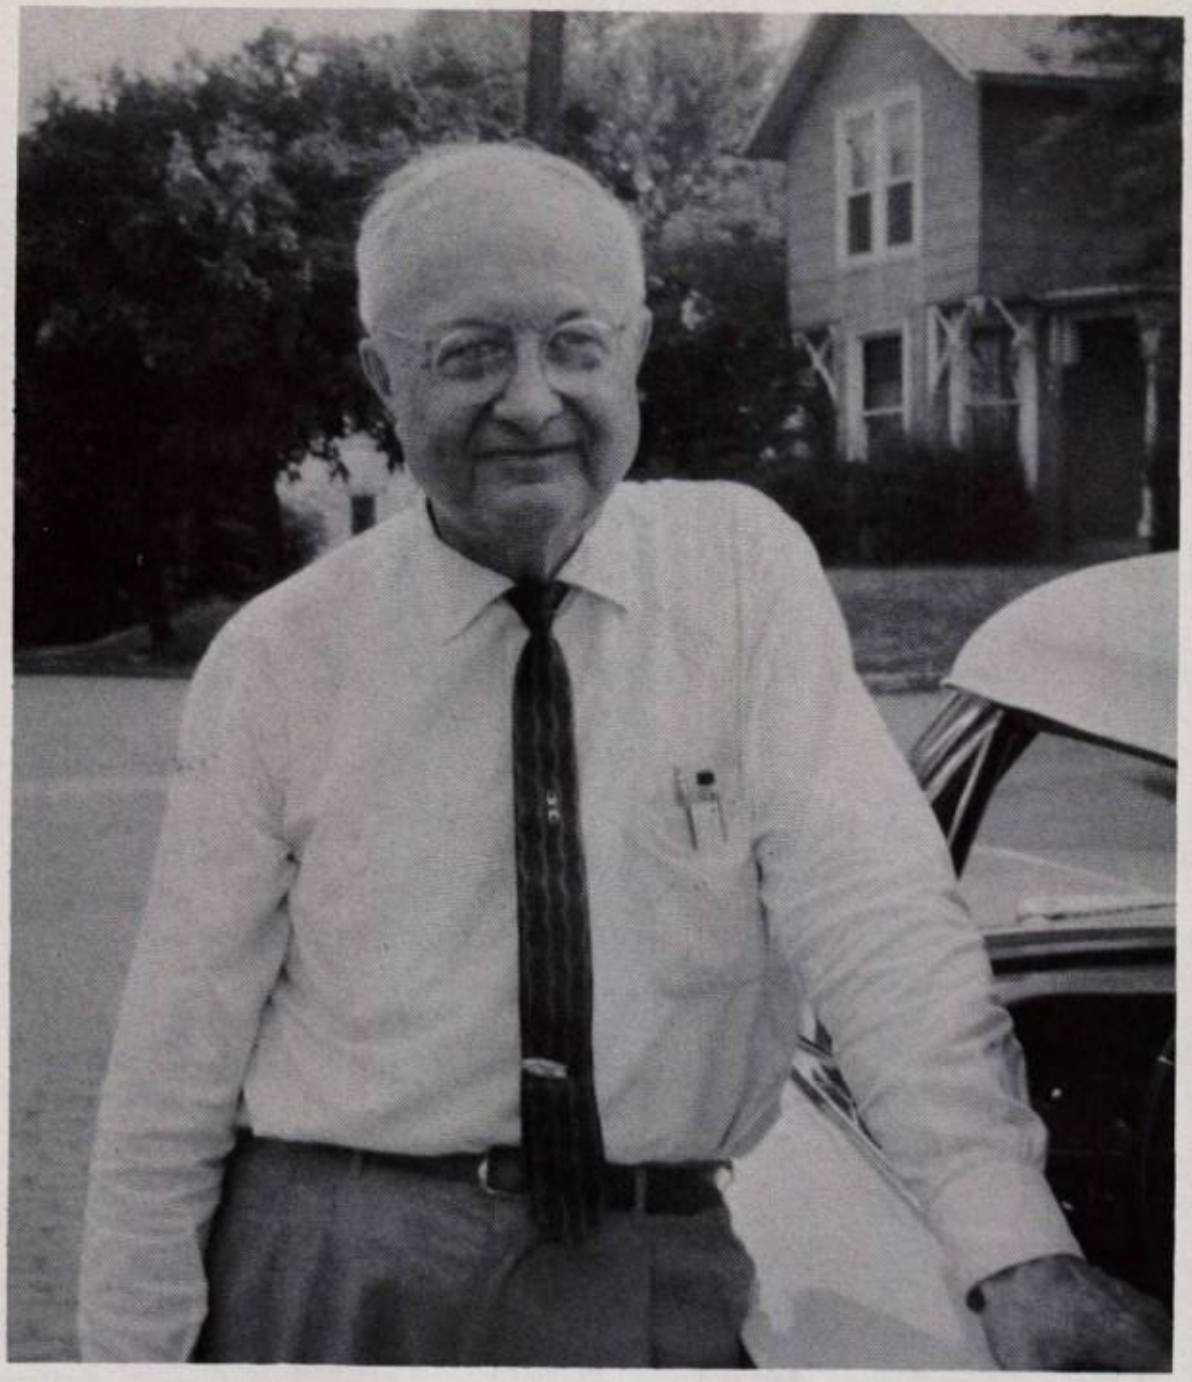
IN MEMORANDUM



DR. A. C. LAWRENCE

To Dr. A. C. Lawrence, we dedicate this yearbook as a token of our appreciation for all he did for the Crooksville High School students. He served on the Crooksville Exempted Village Board for nearly twenty years and encouraged all students to work hard to attain scholastic success. For all the years he lived in Crooksville he served as team physician, examining the boys of the athletic teams and being on call at games to take care of any injured player. Dr. Lawrence always enjoyed sports and was a friend of nearly every boy on every athletic team at Crooksville High School.

Dr. Lawrence will be sadly missed by all the Crooksville High School students.

I AM CROOKSVILLE HIGH SCHOOL

In Crooksville High School are represented many different groups and interests. From the various clubs to the band and the athletic teams, all these play an important part in the lives of all of us here at C.H.S.

But the real reason for attending school is to learn. Under the guidance of the faculty we become more aware of the world around us.

To those of us who have attended C.H.S. for four years, the old school seems almost to be a person. This is how it is presented in the following pages. Here then is the portrait of an old friend. We hope you enjoy it.

I AM INSTRUCTION

AND GUIDANCE

Without teachers and administrators schools wouldn't exist. Our teachers work hard every day and get little recognition. So in the following pages we salute the people who make our educations possible --the faculty and administration of C.H.S.

ADMINISTRATION

Mr. Robert Conley

Mr. Conley, as principal of Crooksville High School for six years, has given us help and encouragement not only in our schoolwork, but in other fields as well. We in the senior class say, "Thanks, Mr. Conley, we will carry your influence with us throughout our lives."

Mr. William Worthington

As Superintendent of Crooksville schools for fourteen years, Mr. Worthington has worked hard to make the schools better for us, the students. The class of '65 wishes to express our deepest gratitude to him for all his toil.

Mrs. Wilson is in her second year as secretary at C.H.S. The senior class thanks her for her untiring work, always done with a smile. She is one of the true indispensables at Crooksville High School.

ACTIVITY ...

F.H.A., Spanish Club, Chorus, or Band; these are but a few of the activities in which a student at C.H.S. may take part. These clubs and activities make school more fun and interesting. These are important at most schools and Crooksville is no exception. Here then are the clubs and activities of the students of C.H.S.

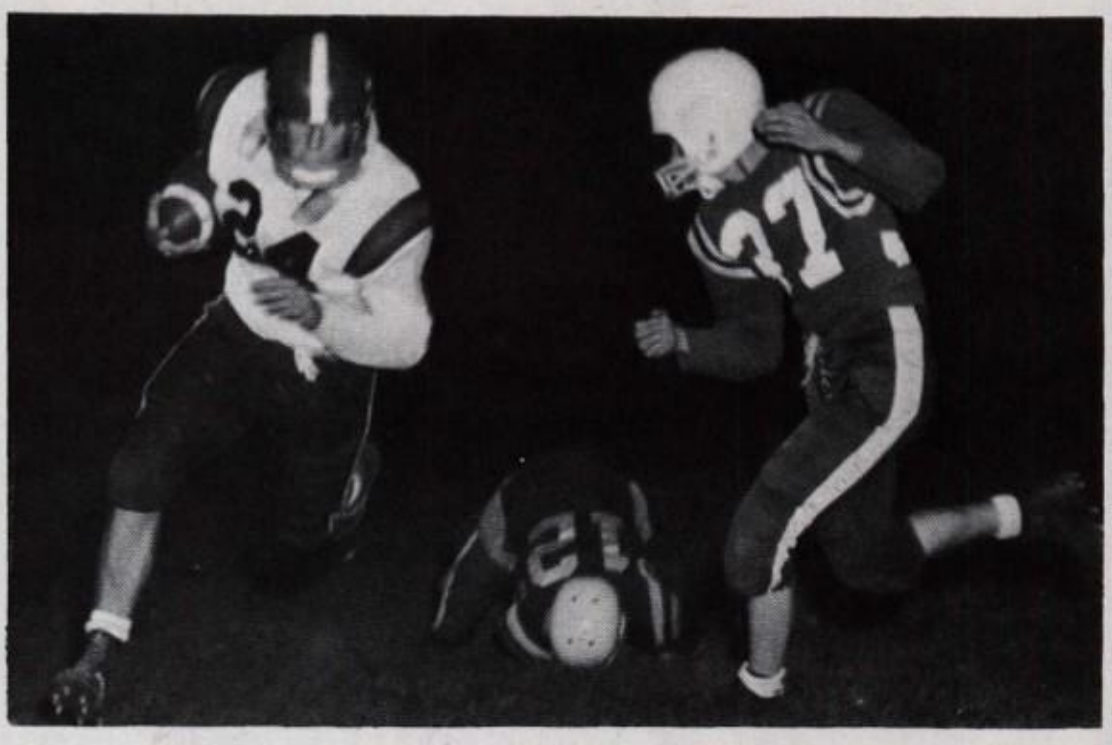
Below, Steve Worthington goes for another gain



The 1964 Ceramics had a successful season, winning 7 of 10 games. Although coming out on the short end of the score three times the Ceramics gave a good account of themselves and remained one of the most respected teams in the rugged M.V.L. The biggest victories came over neighboring rival Roseville and New Concord, eventual third place winner in the league.

Leading the Crooksville offensive punch, one of the strongest in the league, were senior fullback Steve Worthington, senior halfback Jeff Williams, and junior quarterback Larry Nelson. Worthington was the team's leading rusher while Nelson was among the league leaders in passing percentage. The Ceramic line was anchored by Fred Shelton, Terry Musick, Joe Alexander, and Mike Sherlock, all of whom received some recognition on the all league teams.

Players who received special recognition were Steve Worthington, Terry Musick, and Fred Shelton, all elected to the all S.E.O. team. Shelton, a 180 pound tackle, and Musick, a 220 center, made the all Ohio squad.

This year's team was ably coached by Mr. David Knight, Mr. Richard Bowman, and Mr. Larry Burner.

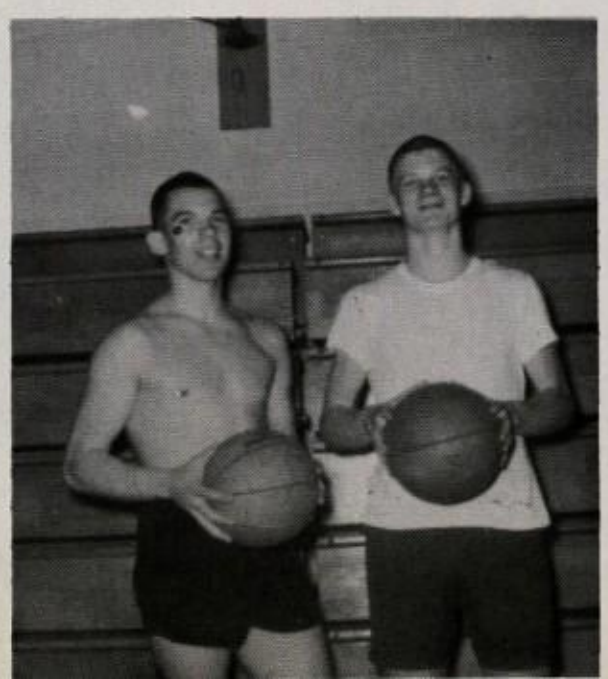
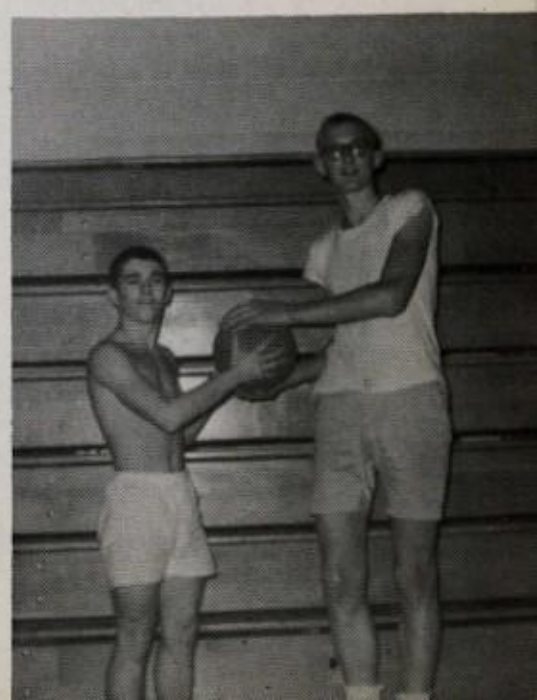
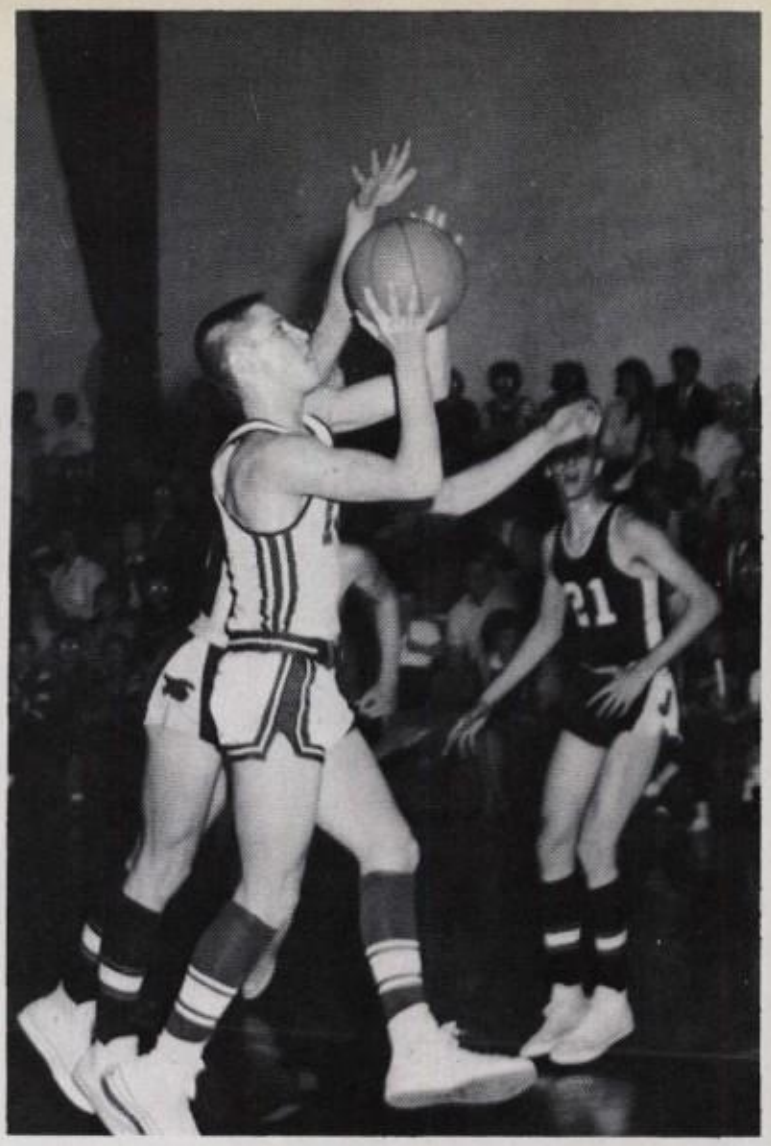
Our candidate for All MVL manager--Jack Moore





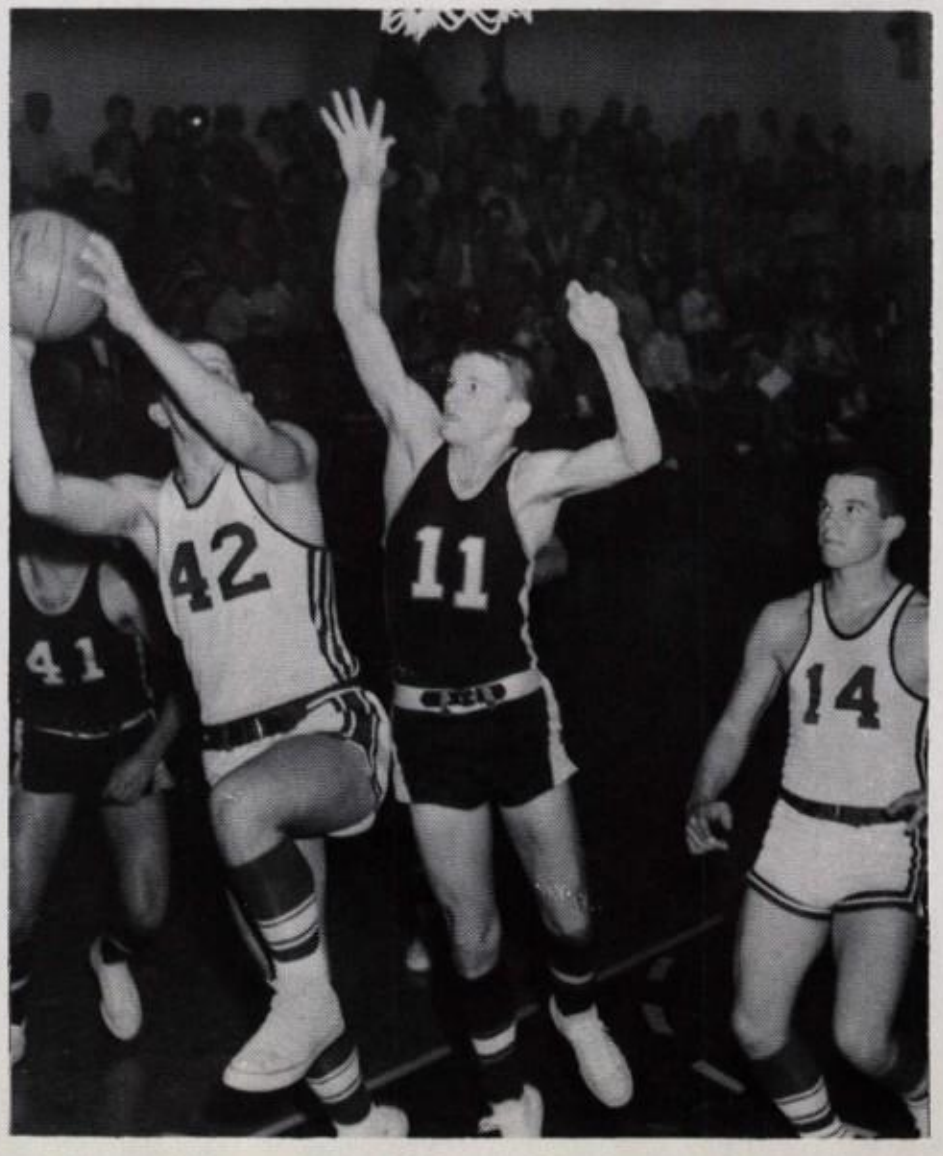
Crooksville's Gene Lyle goes up for a shot against Dresden.

The 1964-65 Ceramics were a hot and cold team, probably because of their inexperience. Senior center Jim Schmotter was the only returning letterman, the rest of the team was made up mostly of Juniors from last year's reserve team. The team finished regular season play with a won 7 lost 10 record. Crooksville was no pushover for MVL teams, though. The Ceramics beat Philo, Maysville, and Dresden, who finished on top of the league.

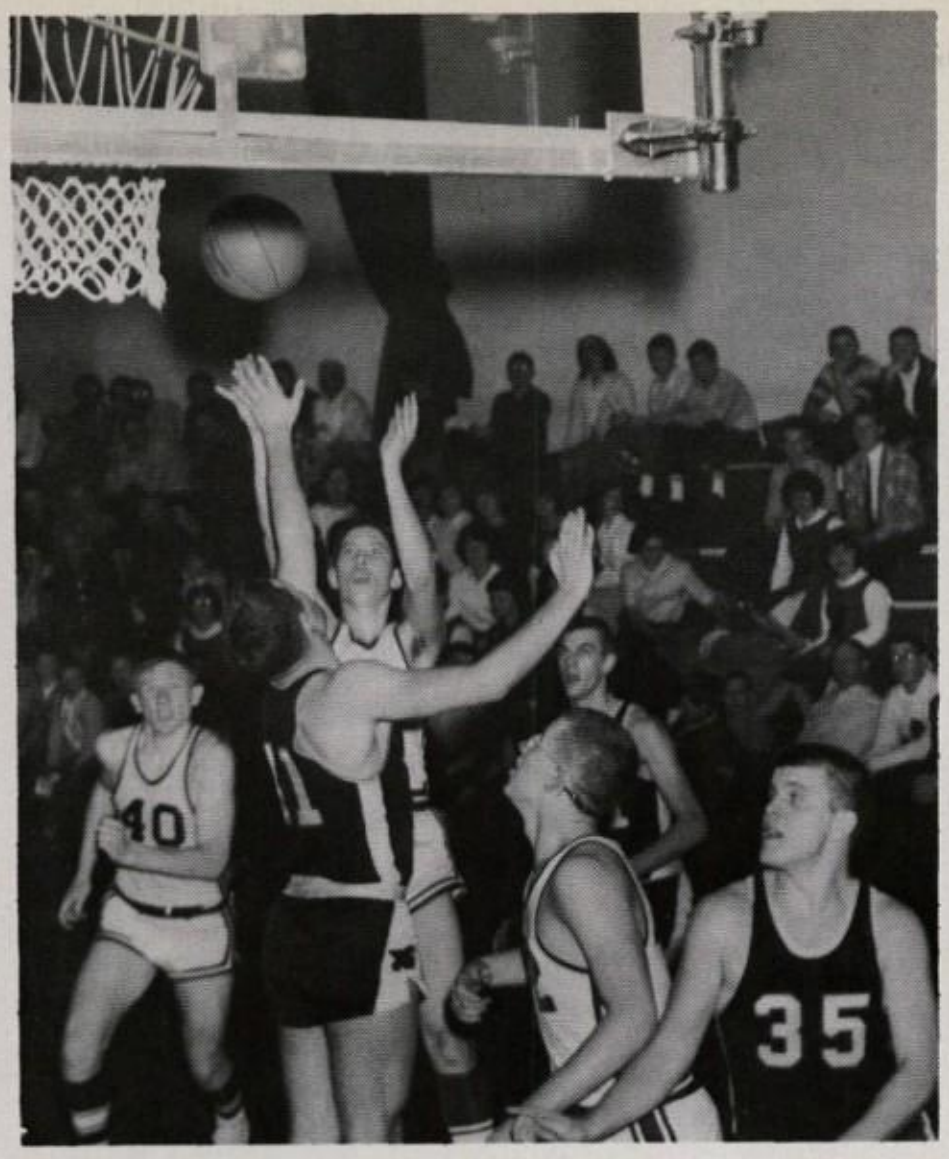


Larry Nelson drives around an opponent.

Jim Schmotter shoots a long jumper as the Ceramics upset the defending state champs.



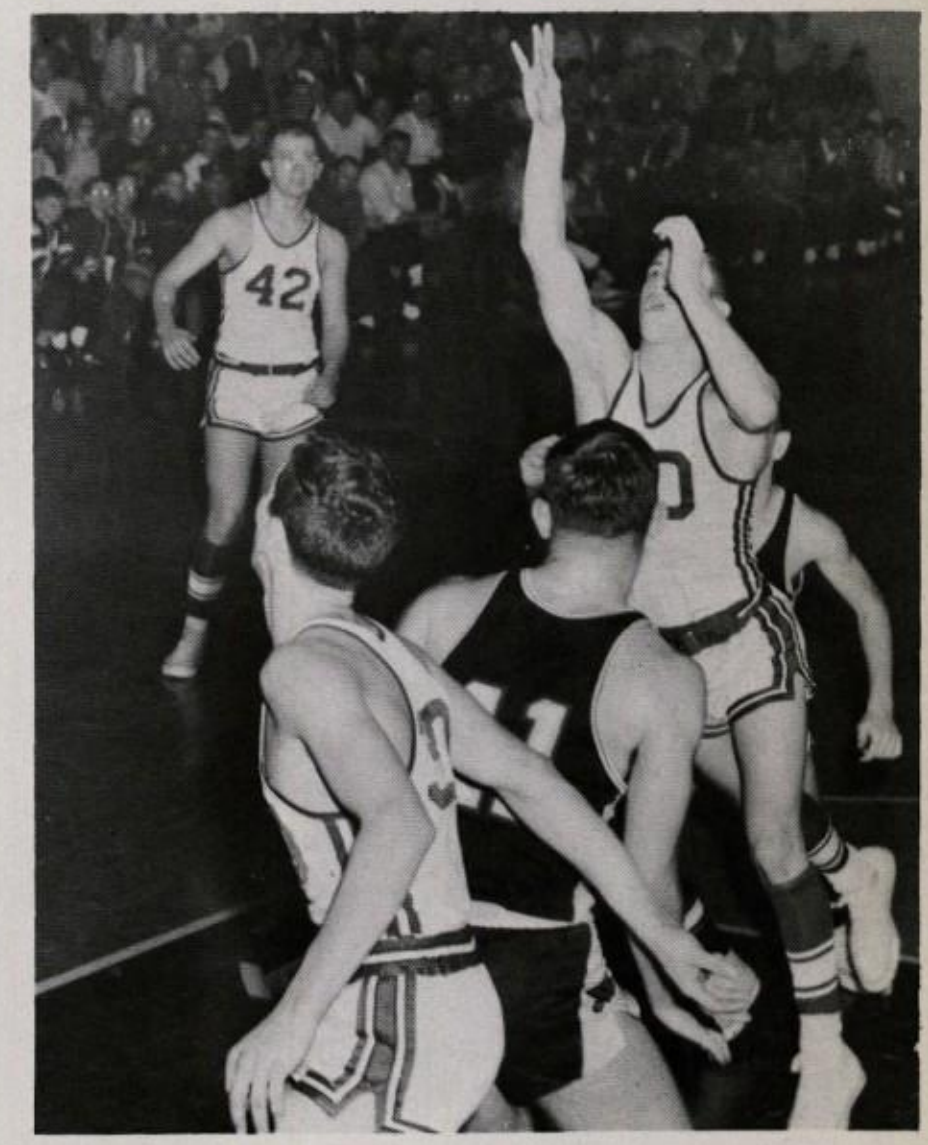
Tom Maines goes in for a shot as teammate Mike Sines watches.



Gene Lyle goes up for another score against Dresden.

The Ceramics featured a balanced offense this year, with four starters scoring in double figures. Schmotter led the attack followed by Gene Lyle, Larry Nelson, and Tom Maines. Crooksville, as the season progressed, became known as the spoilers of the MVL. Probably the most satisfying victory for the team was the 79-65 home win over defending state champions, Dresden. In this game the Ceramics offense clicked better than ever and their defense held the league leading Jayhawks to below their season average. Lettermen this year were Jim Schmotter, Gene Russell, Fred Shelton, Gene Lyle, Tom Maines, Larry Nelson, and Joe Alexander. Big things are expected of the Ceramics next year since only Schmotter, Russell, and Shelton graduate.

Jim Schmotter battles Dresden's John Creech for a rebound.



Larry Nelson is surrounded but still gets the shot away as Gene Lyle waits for the rebound.
